In Memory Of . . .

Edward Koenig. Reliable, friendly, and kind are words which tell us just a little about him. Edward was always willing to lend his services to the community.

Edward Koenig was born September 15, 1925. He was born a normal, healthy child, but at seven weeks old he was stricken with the dread disease, polio. In those years, there was no known cure and little treatment for polio. Edward was given care at a hospital in Minneapolis, but the polio took a heavy toll in crippling him.

At fourteen years of age, Edward enrolled at the Crippled Children's School in Jamestown where he finished high school. From there he attended Jamestown College for one year. He then returned to his farm home at Page and enrolled in a correspondence course in watch repairing offered by the Wisconsin Institute of Horology. He finished this course in 1951 and started his own business in the family farm home at this time. He continued to operate his business known as Koenig Jewelry until his death May 11, 1983.

Although Edward's life was certainly different from that of an average person, he had adopted the following philosophy over the years—"Everyone should do the best they can in life because the world owes no one a living."

HOLD ON TO YOUR DREAMS

Hold on to your dreams,
Don't ever give in.
If you keep trying,
You're going to win.
Hold on to your dreams,
Though sometimes it's
hard.
Just hold your head up
And reach for your stars.
Hold on to your dreams,
Though they seem far
away,
And those dreams will
come true,
Somehow, some way!

Enthusiastic

The Juniors were an exceptionally enthusiastic class this year. As ususal, they had the traditional magazine sale, which went over as a huge success. They were terribly busy with all their extra-curricular activities. Between basketball, football, annual staff, speech, F.H.A., cheerleading, music, and track, they were a very inquisitive class. In years to come, they will never forget the good times, achieved at P.H.S.

Super Sophomores

The sophomores had a great year. Between mischief making and breaking in new teachers, they actually got some work done. They were very busy with homework and sports. Basketball, football, track, and cheerleading accounted for the time after school while the rest of the time was spent doing homework or selling something such as fruit. They had a busy year, but most of all they had fun!

Freshmen Class-Back Row: Charley Rose, Matt Mechtel, Brian Buhr, Jason Miller, Brett Smeiles, Brian Suhr. Middle Row: Belinda Kringen, Traci Morton, Steve Johnson, Lori Ann Heiser, Cheri Carlson. Front Row: Diane Holden, Brenda Johnson, Scott Wahl, Mary Jean Burgard.

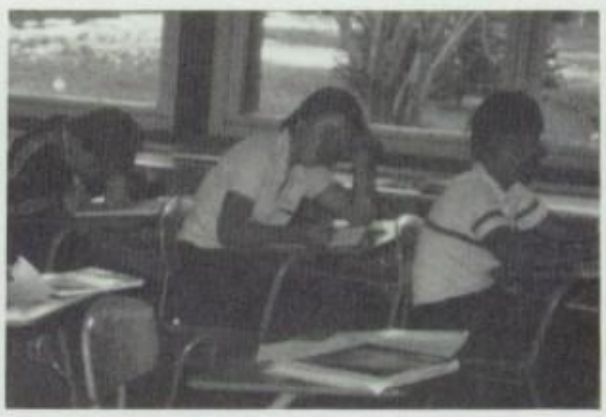
Watch out senior high, here come the Freshmen! They were headed by the powerful presidency of Brian Buhr. Brett Smeiles was there ready to fill in for the powerful president. To fill the position of the secretary was the unforgettable Cheri Carlson. Jason Miller was penny-pinching treasurer for the class. The two students that were part of the student council were Matt Mechtel and Scott Wahl. Mrs. Stibbe and Mrs. Meyers had the privilege of being the Freshmen's advisors. They carried out a successful fund raiser that brought in more money than expected. These crazy freshmen were really looking forward to the new year.

8th Grade - Back Row: Kristi Thompson, Lisa Mewes, Keith Koenig, Dan Holden, Corey Alm. Middle Row: Michelle Kringen, David Garnas, Marsha Evenson, Darci Nelson. Front Row: Craig Burchill, Richard Satrom, Rick Forderer.

Moving Up

This year the seventh grade moved up into the big world of high school. They handled it well, and enjoyed the new experiences. While the eighth grade fit right into the routine and continued to learn and grow.

7th Grade - Back Row: Jennifer Pederson, Lori West, Keith Patterson, Jennifer Buhr, Leslie Iverson. Front Row: Mike Stevens, Mike Anderson, Shawn Erickson, Daryl Wheeler.



Fifth and Sixth Graders - Back Row: Tania Erickson, Ryan Erickson, Debbie Koenig, Karen West, Nicole Miller, Mike Mewes, Melissa Alm, John Mewes, Heather Pederson. Middle Row: Jennifer Mitzel, Daniel Thompson, Jonathan Erickson, Travis Forderer, Brian Patterson, Suzanne Flickinger, Teresa Treitline, Mrs. Tweed. Front Row: Terry Burchill, Marby Hogen, Char Burchill, Jason Wahl, Stacy Burgard.

Something Else

This year the fifth and sixth graders were busy with many activities. They were learning the states and their capitals and learned about many explorers. Often they were busy with holiday art. Testing was no longer open book. They especially enjoyed freetime. General sentiment was that school was "something else!"

Third and Fourth Grade - Back Row: Michael Long, Jamie Rud, Erin Miller, Allison Lang, Kristi Erickson, Eric Pilgrim. Middle Row: Benji Hiam, Tricia Burchill, Tammy Treitline, Kelly Steinke, Stacy Wahl, Lynella Suhr. Front Row: Casey Mitzel, Jeanna Weik, Tara Langdahl, Gerry Sherman, Mrs. Jensen.

Moving On

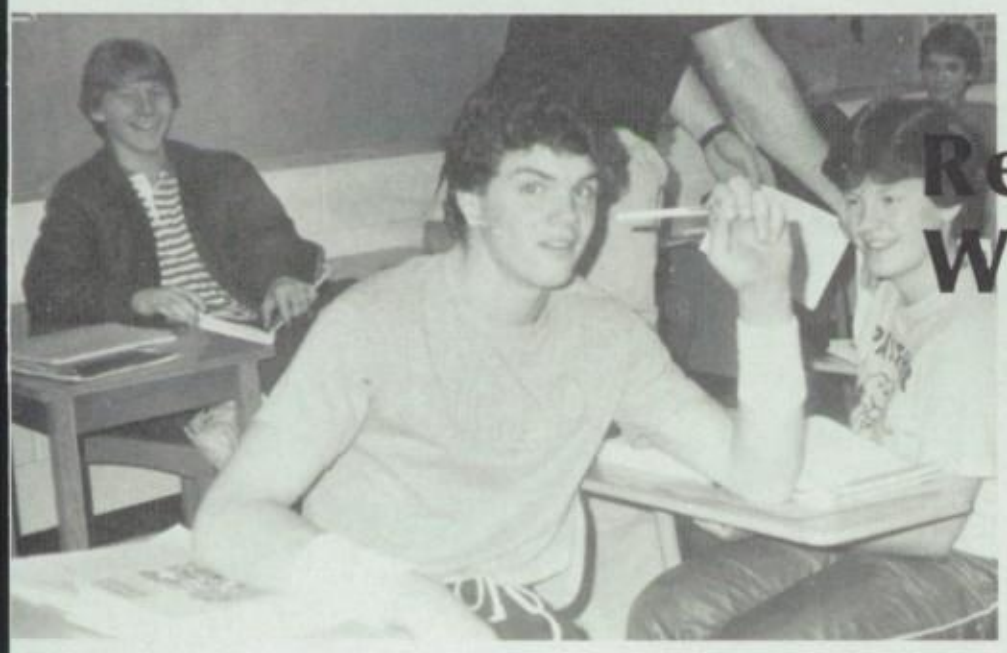
The third and fourth graders worked hard, but also had a lot of fun doing it. In math they worked with decimals, money, and geometric figures. In reading they read about George Washington, Abe Lincoln, and Charlotte's Webb, which were some of their favorites. In language they learned all about nouns, verbs, pronouns, adjectives, and adverbs. They all had a fun and exciting year, and are ready to move on.

The second graders were working on money value, telling time, and the adding and subtracting of two digit numbers. They were busy with all sorts of art projects. This year they also learned to write their names in cursive.

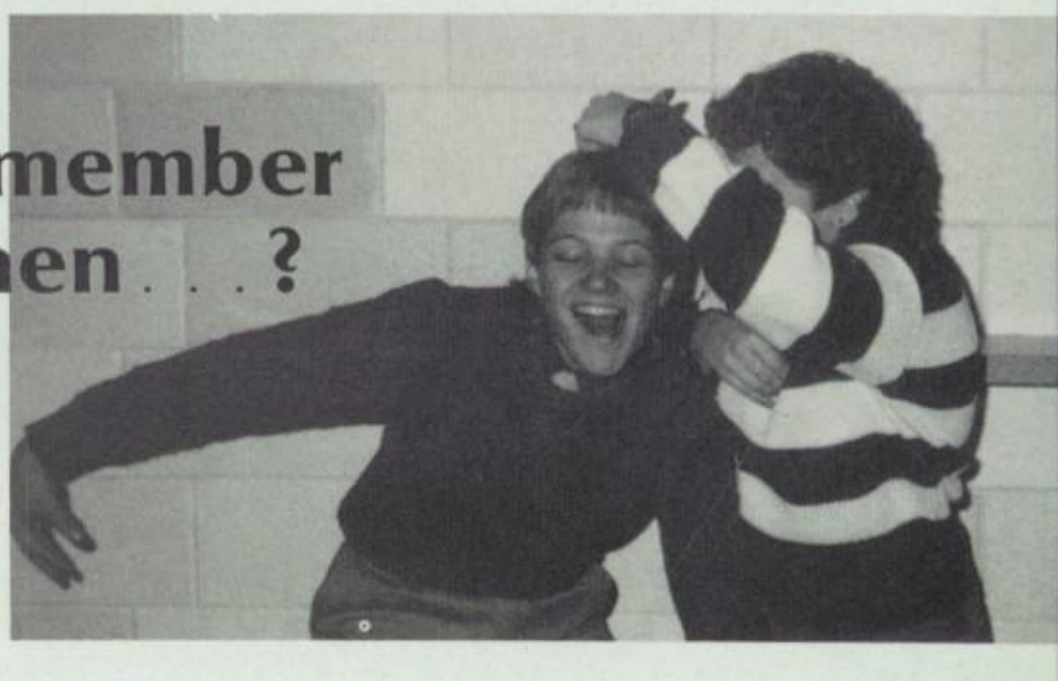
Second Grade - Back Row: Jill Thompson, James Thompson, Matthew Mewes, Carlissa Suhr, Benjamin Drogen, Michelle Kyser, Heidi Alm, Kristina Mewes, John Mittleider. Front Row: Nicola Bankers, Andrew Forderer, Bradley Burgard, Lisa Weik, Tasha Langdahl, Bethany Tweed, Jason Dows, Mrs. Miller.

The first graders were very busy this year, with reading, math, lanaguage, and art. Their favorite activities during school were recess and art.

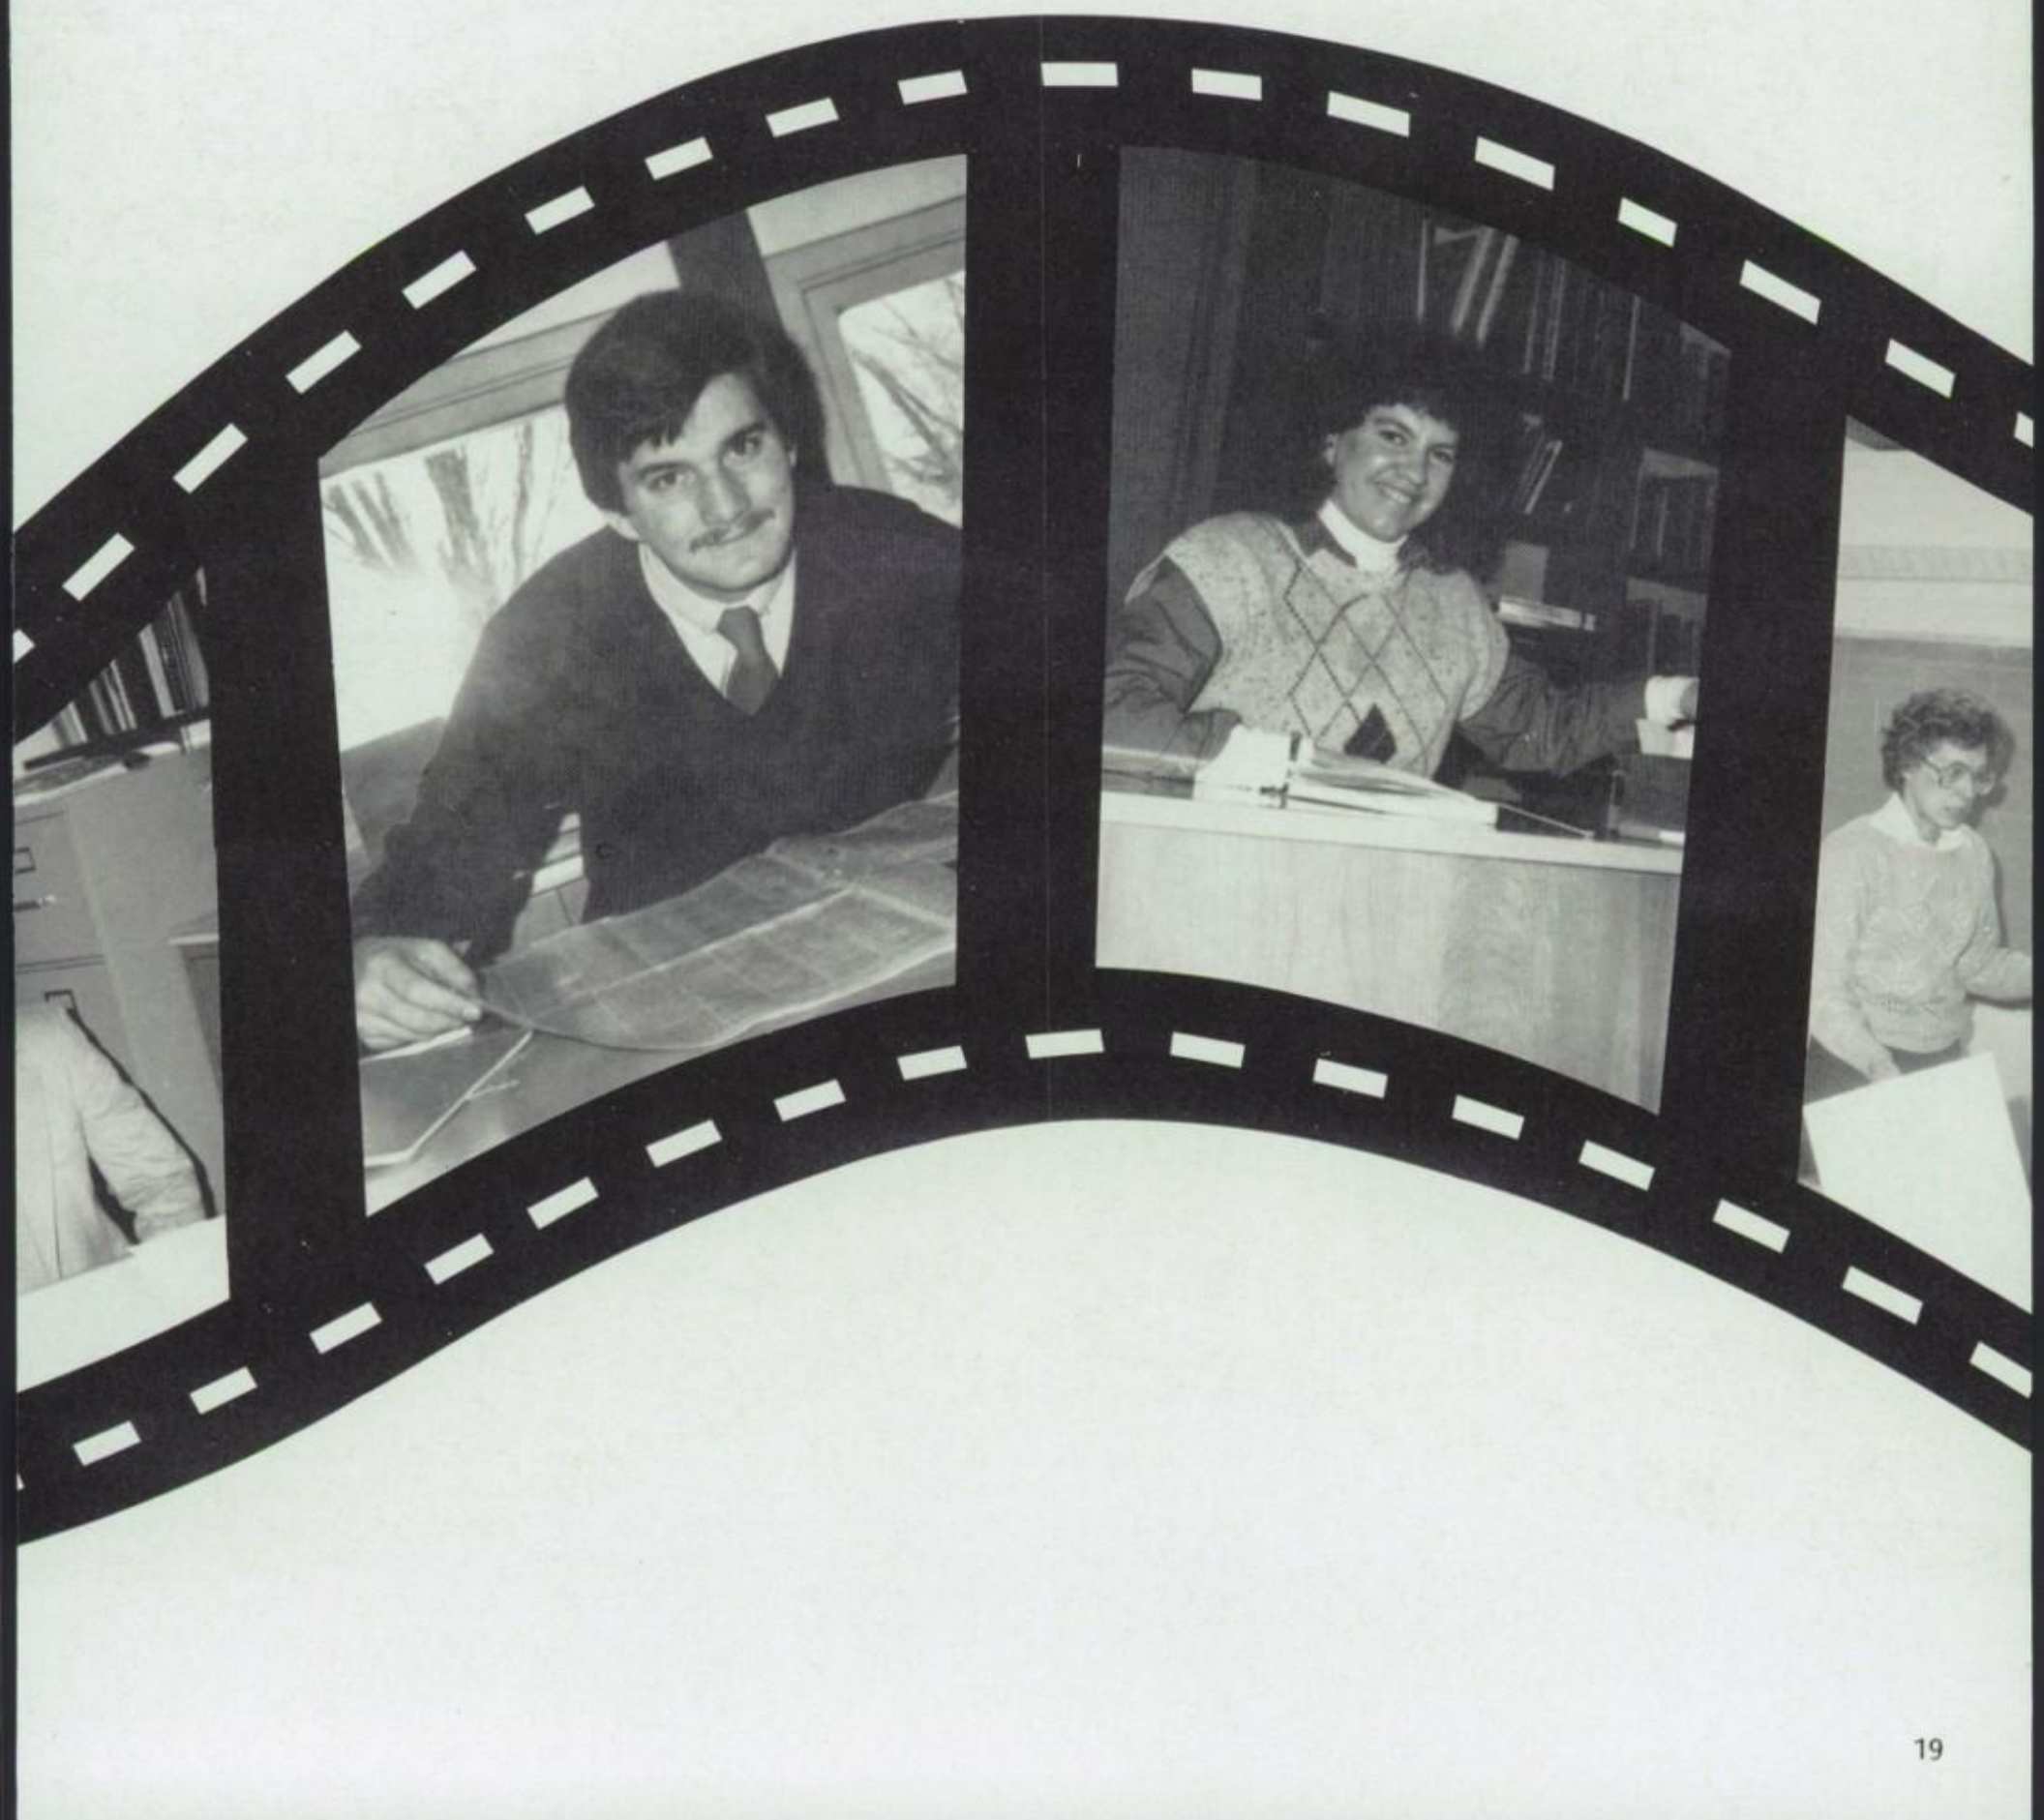
First Grade - Back Row: Andrea Nelson, Preston Koenig, Rochelle Buhr, Jackie Koenig, Ryan Burley, Racheal Bloom. Front Row: Mrs. Nelson, Heather Weik, Michelle Bankers, Nathan Erickson, Tiffani Erickson, Thomas Punton.



Remember When . . . ?



ADMINISTRATION AND FACULTY



Mrs. Miller- Second Grade: Students need to strive for more excellence in academics. Everyone needs to gain more pride in achieving academically as well as athletically.

Mr. Lang- Science and Physical Education: Seriousness of the students! I realize there must be time to relax, but I truly believe our students need to approach their studies a lot more seriously. Some students realize this too late in their school life and some never do.

Mr. Sorensen- Social Studies: If I had the power to make one change at PHS with the wave of my wand, I would add 20 to 30 more students, all of whom would be academically oriented and highly motivated.

Mrs. Utke- Home Economics: Having more choices available for elective classes so the students have a greater variety to choose from. Also having the students become more serious in their approach to learning.

If You Could Change Something About PHS, What Would It Be??

Mrs. Meyers- Music: Senior high band and chorus rehearsal five days a week.

Mrs. Stibbe- English: If I could change something about PHS, it would be its attitude toward excellence. I would like to see every person striving for the absolute best, especially in the areas of academics and fine arts, and I would like to see this recognized and honored. Herbert Hoover said "In my opinion, we are in danger of developing a cult of common man, which means a cult of mediocrity." I would like to see us work against this at PHS.

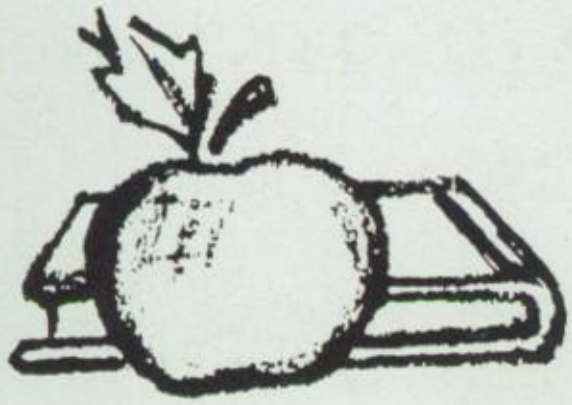
Miss Schatz- Chapter 1: I think that I would change the way students feel about themselves and the way they feel towards others. I believe that in order for a student to show respect towards others they first have to have a true feeling of self importance and a respect for themselves.

Mrs. Tweed- Fifth and Sixth Grade: I would change the enrollment if I could. There don't seem to be enough kids anymore to do everything. If Page were a bigger school more classes could be offered both scholasticly and athletically. Also there would be no need to combine grades.

Mr. Mitzel- Superintendent, and Seventh Grade Social Studies: Expand the curriculum. Probably foreign languages in the secondary, and art and computer activities in the elementary.

Miss Meidinger- Science and Math: Improve students' attitudes toward Science.

Teachers



Mrs. Jensen- Third and Fourth Grade: I would want each student to find that learning is exciting, interesting and enjoyable.

Mr. Mittleider- Shop: I would change the attitudes toward equipment in the building. It should be respected more. Also more respect could be shown between individuals.

Mr. Schlieve-Principal, Math, and Computer: There is not much that really needs changing. The only thing I would change is some of the students attitudes that rules are meant for everyone else and that they can do no wrong. Things work out better when people help each other, rather than causing problems for each other.

Mr. Goter- Business: New sports facilities, bigger weight room, new gym floor, electric football scoreboard, and lights for the football field.

Mrs. Nelson- First Grade: I wish there were more opportunities for secondary students to interact with elementary students.

Breakfast Cook-Marge Schoeppach.

While most people are just thinking about getting up, the bus drivers are on the job bringing many weary bodies to school. Even in bad weather the bus drivers managed to get through.

Bus Drivers-Arlo Mittleider, Sharon Johnson, Marge Conrad, Lloyd Rutherford.

What Would We Do Without . .

The janitors are forever busy. There is always something to be swept up, things to be fixed, floors to be waxed, garbage cans to be emptied, etc. This is Delores and Miles Holden's sixth year at P.H.S. They may be taken for granted, but they are always needed.

Janitors-Delores and Miles Holden.

Dishwasher-Mildred Oleson.

What should we have for dinner? That is something that the students at P.H.S. never had to worry about. The cooks were always busy preparing the meals for the day. While Marge Conrad and June Leidall were busy making dinner, Marge Shoeppach was just finishing with breakfast.

Dinner Cooks-Marge Conrad and June Leidall.

Mrs. Susan Stibbe was our librarian. She checked out books, inventoried periodicals, ordered books, filed reference materials, and helped students locate information. We got 181 new books for our library this year.

Mrs. Cindy Goter has a career goal to become a classroom teacher again. She was the teacher's aid for the third and fourth graders. Mrs. Tom Erickson was a teacher's aid for the fifth and sixth graders.

Mrs. Bonnie Asher worked with students who have difficulty in oral communication, (stuttering, voice problems, articulation, and language structure.) Her career goals are to complete her masters and to continue working in the public school system. She worked at 5 school with a total of 30 students.

Mrs. Deb Dondoneau was our Learning Disabilities Consultant. She worked with 30 kids, 9 of which are in Page. The other school she worked at was Maple Valley. One of her career goals is to someday teach in a classroom with emotionally disturbed kids. Another of her goals is to finish her master's degree.

Work, Work, Work!

Mrs. Allene Thorson was our school secretary. She kept the books for the school district, paid all bills, and did some secretarial work. However she did not limit herself to that. She did whatever was needed. She did not start with goals in mind. However, as most woman are employed outside the home these days, she strongly encourages all to set goals. "aim high - you'll not be sorry."

Laura Iverson-Student Librarian.

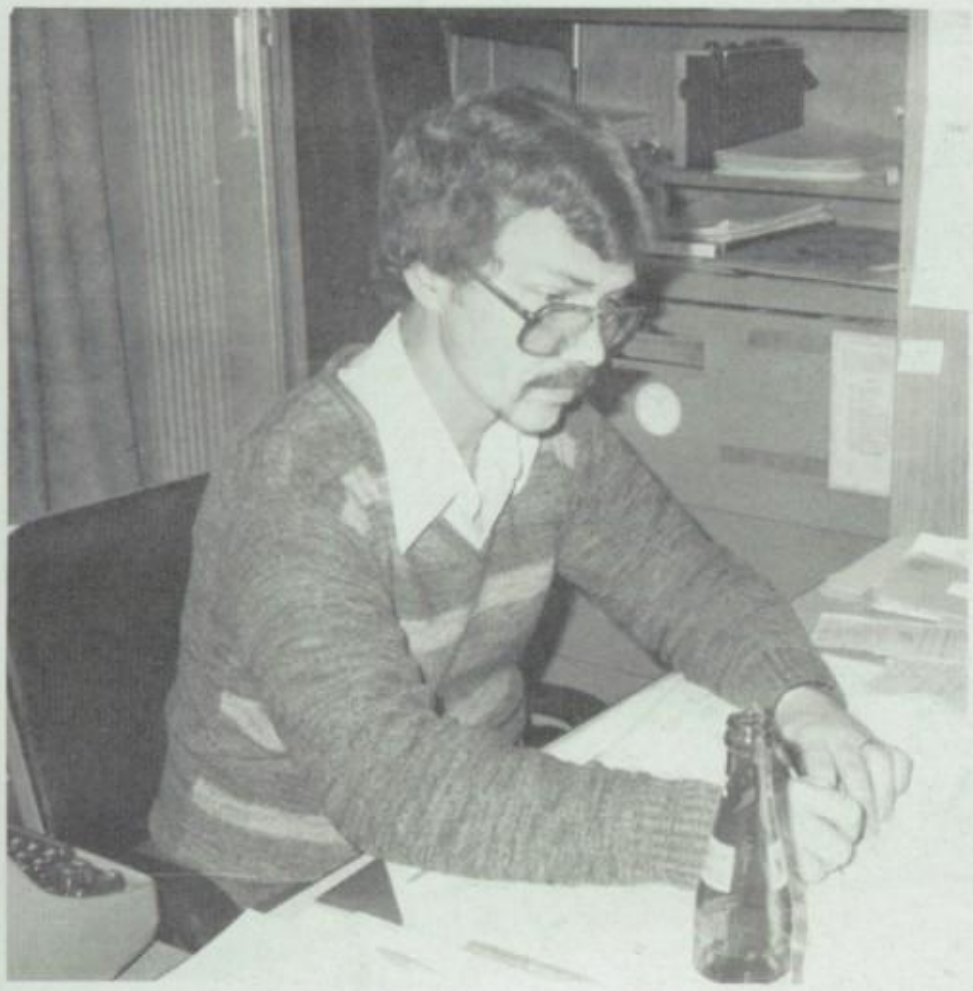
School Mothers

The School Mothers were a lot of help to the school this year. They purchased the mascot, made posters, and put in circular fans in the gym. The mothers kept us full by serving lunches at the ball games.

Booster Club

The Booster Club was said to be really on the ball. They put on the basketball shoots at the games so that we could get a new football score board. They also had a chili and appreciation supper for the students.

The Management Of The School



Mr. Hy Schlieve was a newcomer this year but he fit in perfectly. As principal he gave a new meaning to the word "leader". He gets things done and knows how to do it. This was his first year at Page High School.

Mr. Arthur Mitzel has been very busy with his duties as superintendent. He always knew what went on and kept us in line. He also helped the School Board with their duties. He has been superintendent for 6 years.

Members of the School Board - Ernest Erickson Jr. Nyle Burchill, William Thompson - President, Mary Burgard. Not pictured - Virginia Vosgerau.

The duties of the Board of Education include the formulation of school policies and the general management of the school district.

FHA All The Way

The F.H.A. had 25 members this year. Cheri Carlson was a district officer. She held the office of district secretary. Dawn Erickson was one of the members in the state who was on the P.E.P. (Peers Educating Peers) Squad. The club invited people from the Rape Prevention Center to come out and speak. We also had an aerobics lesson under the instruction of Jean Mewes. The F.H.A. took on a big responsibility this year. We adopted a boy, Mike Warnke, from the Ann Carlsen Home in Jamestown. Other activities we had were our traditional fondue party, our bake-n-take in which we baked cookies and took them to the elderly people, and F.H.A. week activities.

Voice Of

The student council worked long and hard during the course of the year. They hosted the Homecoming activities and put on the annual dance, they sold concessions, and showed a movie for Christmas.

Kindergarten-Back Row: John Zacharison, Scott Thompson, Lara Miller, Jennifer Davis, Jessica Erickson, Mrs. Aldrich. Front Row: Stephen Thompson, Matthew Rueckert, Heather Mitzel, Lisa Bloom, Janet Burgard, Wyatt Sherman, Angela Pilgrim.

When's lunch? How many recesses do we have left? Can I go to the bathroom? These are just a few of the many questions Mrs. Aldrich was faced with from February through May. The busy little minds and bodies of the kindergarteners were a challenge as always. Between lost crayons, untied shoes, misplaced papers and tons of curious questions, it's amazing how much was learned.

Talk, talk, talk. That's a lot of what the speech contestants did. They informed, entertained, and even worked together for a little drama. Lynnette Johnson was exceptionally outspoken with her informative speech at the District Speech Contest for which she was awarded second place. That was just enough to get her to the state competition.

Successful Co-op

In the 1983 football season we combined with Clifford-Galesburg and recruited a total of eleven football players on varsity. Hard work, sweat, and pain resulted in a 7-2 overall win-loss record. Under the direction of Coach Lang and Assistant Coach Goter we were Tri-Champions 1983.

Junior Varsity Football - Back Row: Corey Martin, David Ust, Brian Buhr, Johan Aarsvold, Bret Sorensen, Brett Smeiles, Scott Flickinger, Chad Satrom, Jason Miller. Middle Row: Scott Wahl, Brent Buhr, Eric Anderson, Brian Lovas, Corey Satrom, Randy Martin, Steve Johnson, Strack Elliott, Coach-Neil Goter. Front Row: Matt Mechtel, Frank Craig, David Garnas, Mark Holman, Chad Holman, Jason Bring, Paul Knudsvig, Richard Bring. Not Pictured: Brad Bjerke.

What A Combo

This year's Junior Varsity team was a combination of Page and Clifford-Galesburg players. They ended the season with a two, two, one record. The two wins were to Dakota and Oak Grove. The losses were to Cooperstown and Wimbledon-Courtney. The one tie was with Finley-Sharon.

Football Cheerleaders: Lynnette Johnson, Lisa Willert, Mary Rose, Beth Sorensen, and Robin Holden.

Jr. High Football Team: Back Row: Corey Martin, Matt Mechtel, Brian Lovas, Brett Smeiles, Corey Satrom, Randy Martin, Steve Johnson, Chad Satrom, David Garnas. Front Row: Randy Brown, Rick Forderer, Craig Burchill, Steve Elliot, Richard Satrom, Jason Smith, Mike Anderson, Dan Knudsvig, Mark Stevens and Coach: Mr. Schlieve.

A Successful Year

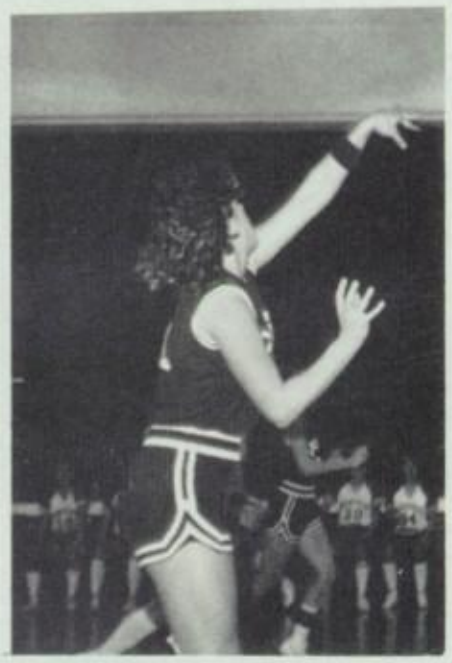
The Jr. High Football Team played 5 games this year. They were CVN, Dakota, Maple Valley, Wimbledon-Courtney, and Cooperstown. Although playing hard in games and in practice, they only managed a tie with Cooperstown with the rest of the games ending in losses. The large number of individuals out does point to a bright future however.

Varsity Girls Basketball Team-Back Row: Student Manager Robin Holden, Laurie Satrom, Missy Folstad, Michelle Bower, Laura Iverson, Sara Thompson, Kathy Rose, Shelly Thompson, Student Manager Mary Rose. Front Row: Carla Burchill, Sherri Johnson, Coach Collette Folstad, Vangi Bortle, Dawn Erickson.

Standing Proud

The Page Girls Varsity Basketball Team had another fun and exciting season. They took fourth place in the Barnes County Tournament. They also received the sportsmanship trophy. They lost in overtime, the first game of the District Tournament, and concluded there season with a 7-11 record. They are looking forward to a better season next year.

Along with being selected as team captain, Junior, Michelle Bower was selected for the Barnes County All-Tournament team and as All-Confrence player.



Everyone's A Winner

B-Squad Girls Basketball Team - Back Row: Coach Collette Folstad, Brenda Johnson, Cheri Carlson, Jennifer Buhr, Lori Ann Heiser, Darci Nelson, Student Manager Diane Holden. Front Row: Shelly Thompson, Laurie Satrom, Sara Thompson, Kathy Rose.

This year the B-Squad realized that winning isn't everything but they had a lot of fun. Though the work and practice seemed to never end, they tried their hardest to do their best.

The C-Squad worked hard this year. They practiced their basic skills and learned new things each day. They were full of enthusiasm and energy. Their coach Mary West led them to be consolation champs at the LYC Tourney.

Determination

This year's B-Squad had a very successful season. They were a very young squad and showed skill and determination. The highlight of their season was to capture the Tall Towers Conference Championship. The B-Squad was fortunate enough to be under the supervision of Coach Neil Goter.

The C-Squad coached by Mr. Arlo Mittleider, was blessed in many ways this past season. Not only did these young men have talent and a streak of determination, they were able to end their season undefeated. Among their conquests, was capturing the Little Yellowstone Conference title.

A Squad-Back Row: Coach-Mr. Lang, Brian Buhr, Perry Brown, Bret Sorensen, Brent Buhr, Scott Flickinger, Asst. Coach-Mr. Goter. Front Row: Student Manager-Chris Carlson, Rick Anderson, Brad Bjerke, Randy Thompson, Jay Iverson, Kevin Smeiles, Neil Munro, Tom Burchill, Student Manager-Tod Erickson.

Jay reached 1000 points in his basketball career.

Panthers received 2nd place at the District Tournament.

An Outstanding Season

The Boys Varsity Team had an outstanding season, finishing 16 and 7. Having been coached by John Lang and assisted by Neil Goter, they spent many long and hard hours in the gym. All of this hard work paid off in the end. They received 2nd at the District Tournament and advanced to the Region I Tournament in Wahpeton. They ended their season by losing to the Kindred Vikings in a long and painful game. Jay Iverson proved to the team that hard work and dedication can pay off. By the end of the season he had gone over 1000 points in his high school career. It was a thrill for the whole community.

Statisticians-(left to right) Miss Schatz and Vangi Bortle.

With three coaches these fellows had to work hard. They took fifth at the Central Valley Tournament. That was a tourney to be remembered since the team, coaches and fans alike were stormed in overnight.

Windy, sunny and exciting are just a few words that describe the day of the elementary track meet. Under the supervision of Mr. Mittleider and with the cooperation of the elementary teachers and several high school students, the day turned out to be fun for all.

The Ups & Downs Of It

What a super season for this bunch! Other than a no-loss season, some accomplishments of this group included winning first place at the Page Jamboree with Char Burchill receiving the free throw trophy and taking first at the Hillsboro Tournament.

Volleyball

The spectators loved watching it. The players loved playing it. The coach loved coaching it. What was it? Volleyball! This year we had 4 regular season games, 2 each against Kindred and Oak Grove. Luck wasn't running our way until the tournament. There we took 2nd place.

We Had Yell

We had an exciting year, we even got to cheer at Regionals. Working hard and together, we tried to make it a successful year. The mothers helped us by making some really nice posters.

The varsity girls and boys basketball cheerleaders had an exciting year. For the girls cheerleaders there were many new experiences. This was the first year any of them had cheered for a varsity sport, and the first time cheering ever for a couple of them.

The varsity boys cheerleaders worked hard together to make it a successful year. The highlight of the season was cheering for the Regional Tournament at Wahpeton.

Extraordinary

The B-squad cheerleaders had an extraordinary year with the B-squad taking first in their tournament. The A-squad cheerleaders enjoyed working with them and they all had a good time.

Beginners

The C-squad cheerleaders were just beginning, but they were a big success. They cheered the C-team to an undefeated season which included winning the Litchville Invitational Tournament.

Front Row: Randy Thompson, Jay Iverson, Brian Buhr, Scott Wahl.

Quality Not Quantity

Both the Boys and Girls Track Teams were small, but they proved that it's the quality, not the quantity that counts. Rain or shine, the track teams were there running and giving it their all. The track teams qualified four members for state. Randy Thompson also placed fourth in the All Star Meet which was held in Minot, June 2, 1984.

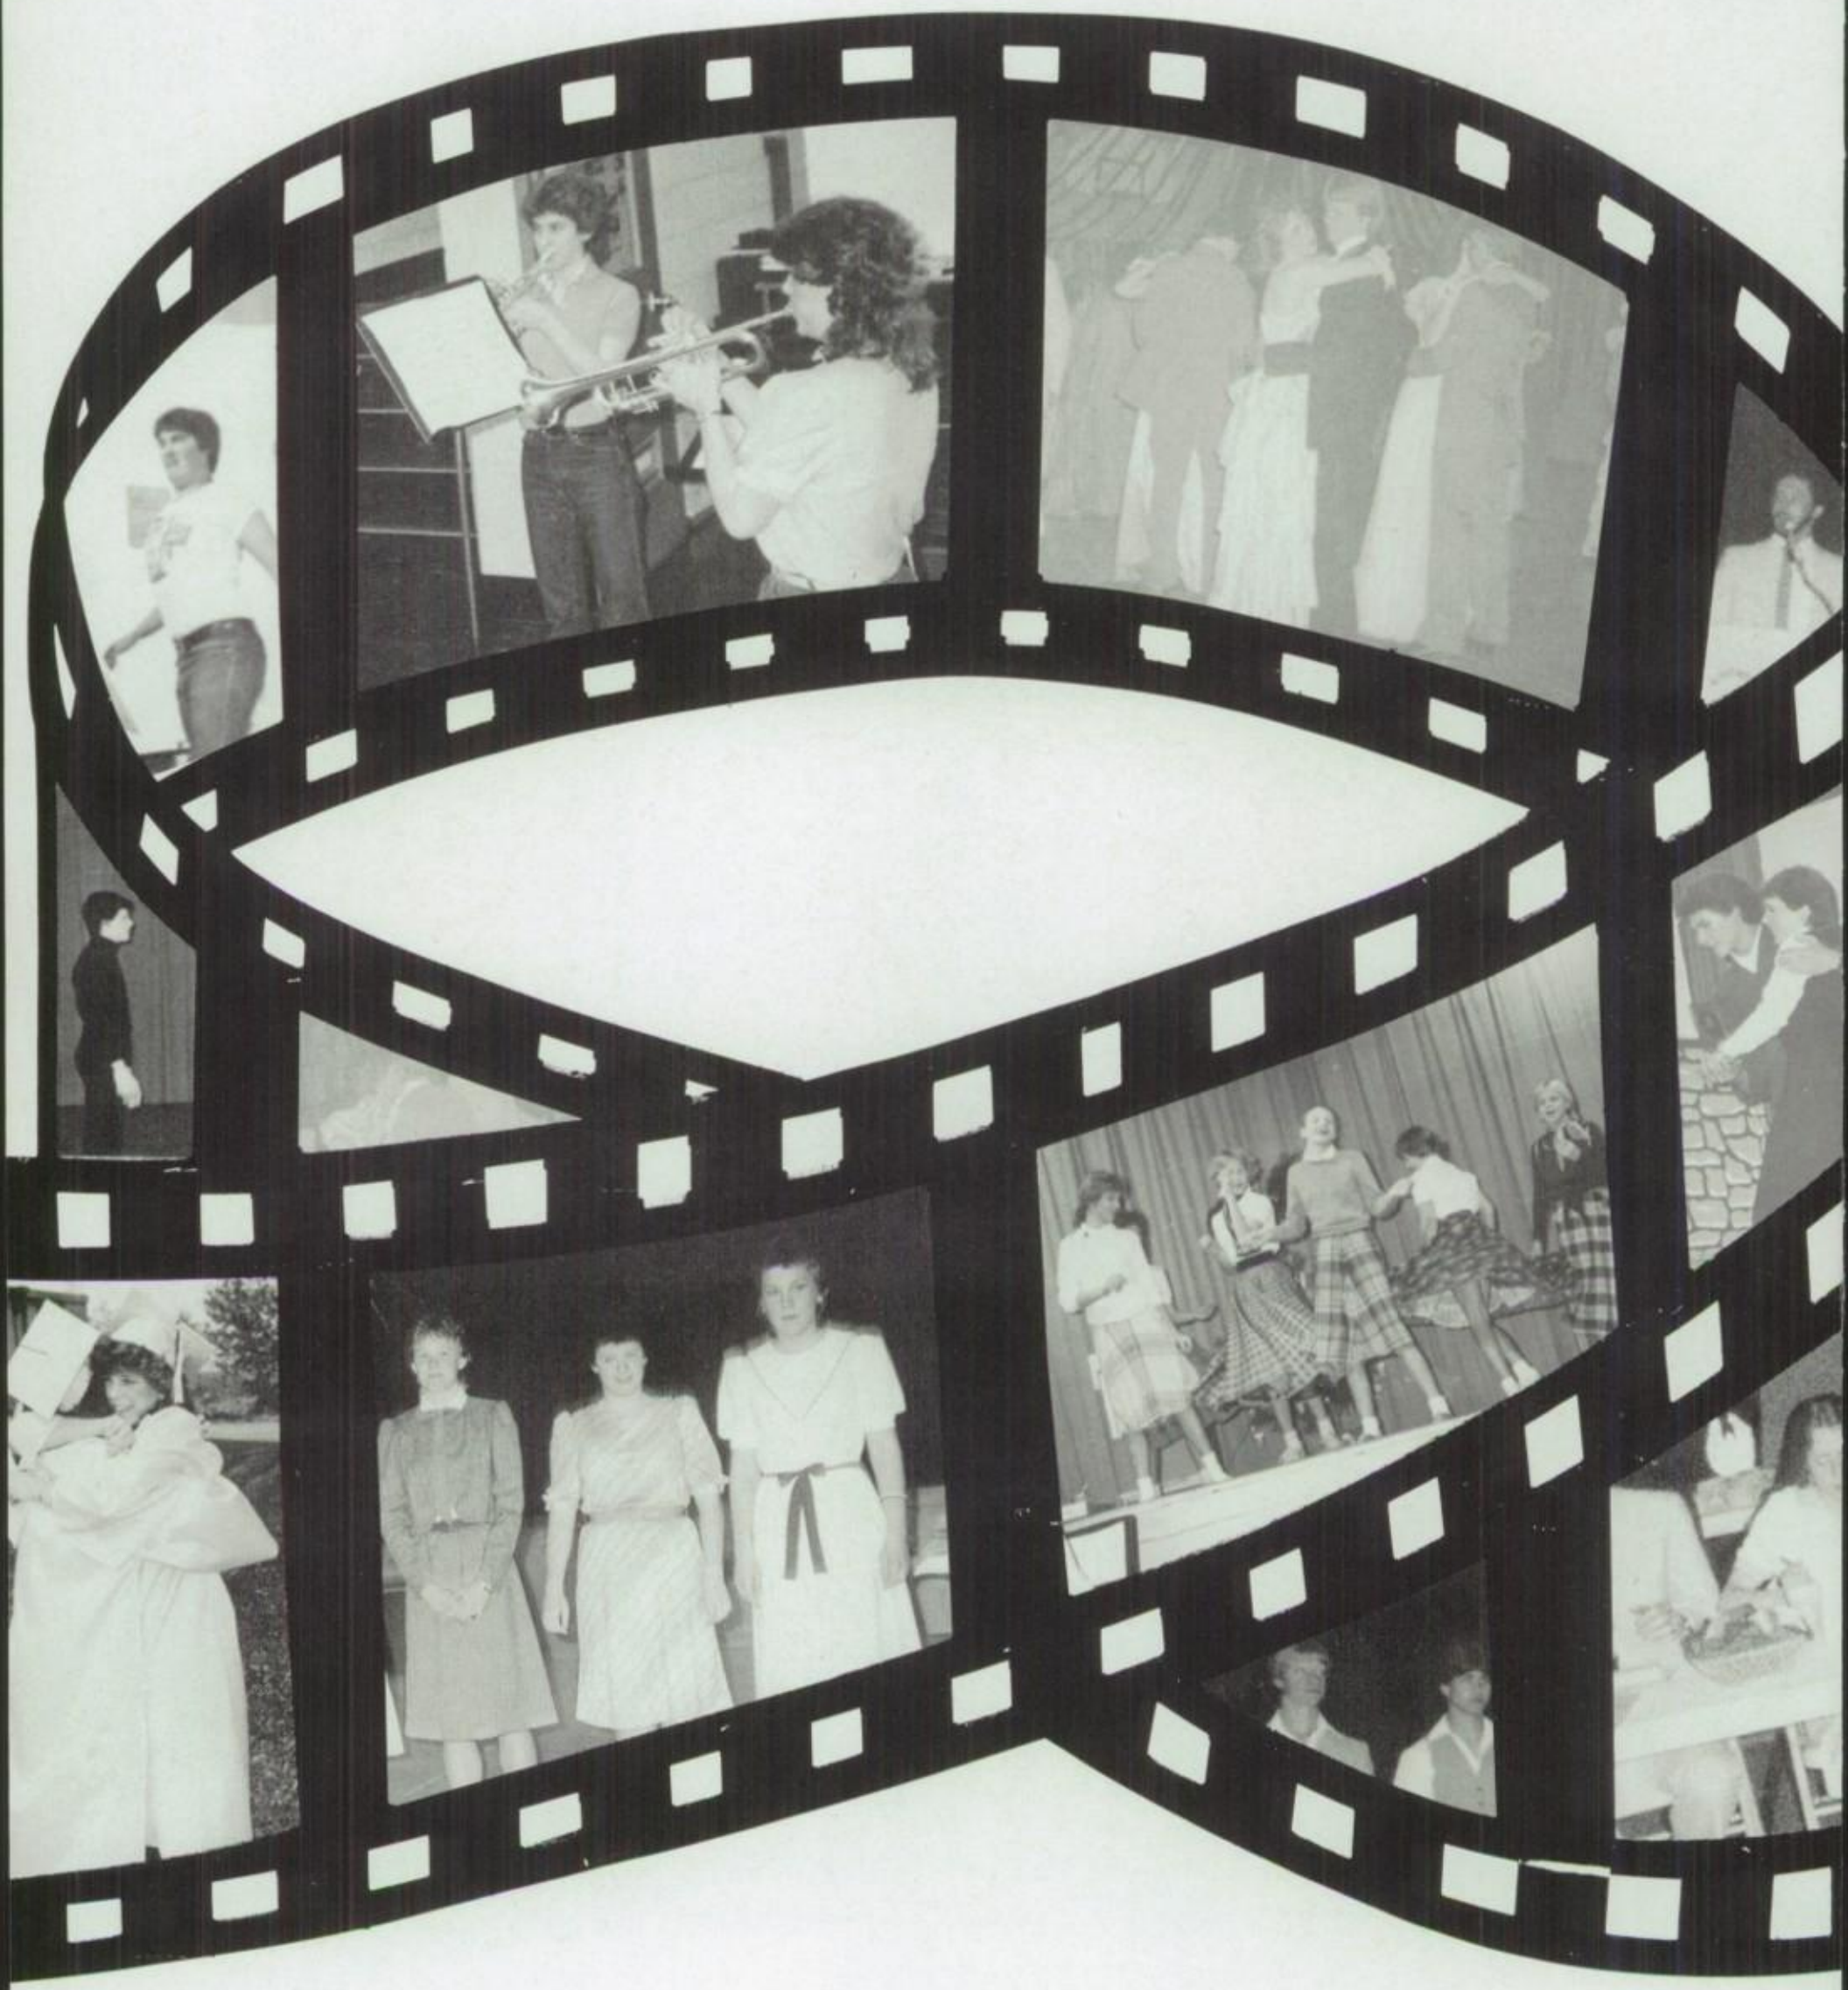
Girls Track Team- Back Row: Coach-Hy Schlieve, Michelle Bower, Laura Iverson, Sherri Johnson, Lori West, Jennifer Pederson, Jennifer Buhr. Front Row: Student Manager-Lynnette Johnson, Shelly Thompson, Beth Sorensen, Carla Burchill, Vangi Bortle, Lori Ann Heiser.

Randy Thompson qualified for the State Track Meet in the pole vault and took second over all.

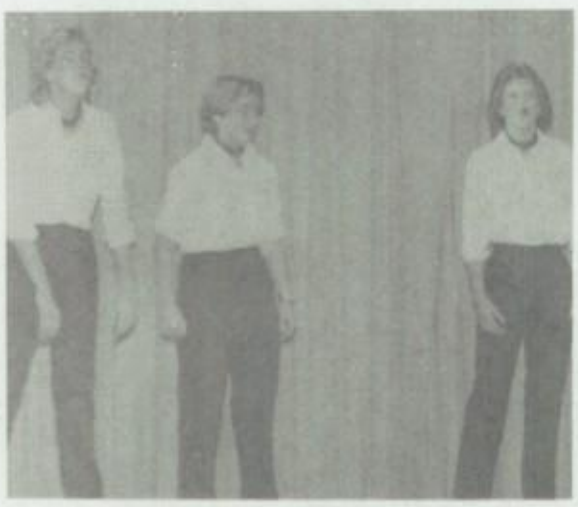
Michelle Bower qualified in two events, the 300 meter hurdles and the shot put for the State Track Meet.

Laura Iverson qualified in both the shot put and discus for the State Track Meet.

Sherri Johnson qualified in the 100 meter hurdles and the 300 meter hurdles for the State Meet.



SPECIAL EVENTS



Page 28-Dakota 14 p55

And What A Week It Was!

Homecoming week began on Monday morning, September 26, and what a morning it was! Everyone dressed appropriately as various cartoon characters or as their favorite super hero. On Tuesday the school was filled with many wild and far out punk-rockers, with hair colors ranging from green to orange. Some of the teachers in Page remembered the fifties. So on Wednesday we decided to take a trip down memory lane with everyone dressed up in poodle skirts, leather jackets, and greased back hair. Thursday, dress up day, gave the girls one more chance to get out those prom dresses and the guys a chance to show off those new suits. Friday, the big day, we had our traditional maroon and white day. All classes showed great spirit all week, but it looks like the seniors were a bit more into it, they were awarded the honor of the spirit stick.

Thursday night was the pep rally. It started out with the king and queen coronation. Randy Thompson being crowned Homecoming King and Carla Burchill being crowned Homecoming Queen. The first runners up were Chris Carlson and Lynnette Johnson. The others participating were Jay Iverson and Sherri Johnson, and Kevin Smieles and Mary Rose. Junior attendents were Nathan Erickson and Andrea Nelson.

After that we were on to the many skits performed by the high school classes and faculty. There was a presentation of players, which took longer this year because we were fortunate enough to have 11 varsity players join us from Clifford-Galesburg through an athletic co-operative.

Our guest speaker this year was Ron Bjerke. The MC's were Michelle Bower and Neil Munro.

Finally, it was 4:00 Friday afternoon, time for the "big game." The attnedance was up and you could feel the tension in the air. The last seconds ticked off the clock and the Panthers were once again victorious. We had beaten Dakota 28 to 14. The victory helped to make the dance Friday night a big success. And so another great homecoming passed, but left us with all those wonderful memories to look back on.

Love Is Murder

Cast - Back Row: Brad Bjerke as Ed Fish, Scott Punton as Dr, Wintergreen, Rick Anderson as Leon Ketchem, Tod Erickson as The Pirate. Front Row: Mindy Metchel as Effie, Neil Munro as Tom Burns, Laura Iverson as Calamity Lovett, Donna Kringen as Jane Err, Michelle Bower as Valentina Velour,Tom Burchill as Walter Lydecker, Sara Thompson as Pearl Sweet, Teresa Bankers as Nurse Summerset, and Bonnie Kringen as Beth.

Meet Me At The Prom

"Do tell Algernon, Perceival is behaving like a cad!" That was probably our favorite line from the Senior class play, set in Mom Madigans Malt Shop, in the back room for Seniors Only. We'll never forget those things that made it so much fun and unforgetable; Randy flipping Chris, all the Coke we drank, Dawn's corsage falling off, Lynnette's dresses, and Vangi's hat. Despite the few mistakes, the Senior class play, directed by Mrs. Susan Stibbe, was just as fun for the audience to see as it was for us to put it on.

Eat And Be Merry

The Jr.-Sr. Banquet was an enjoyable evening for all who attended. Tom Burchill gave the invocation and benediction. We were entertained by musical selections from Scott Punton and Sara Thompson. Mr. Reuer was our guest speaker and he brought back some very comical old times. We all enjoyed a delicious meal prepared by the Junior mothers and we left the banquet looking forward to the evening ahead, Prom 1984.

Honored We Were

The daily routine of a small school includes much more than academics. Through the entire school year extra-curricular activities are taking place.

The Page School is no exception. On May 21 all students were honored for their many extra-curricular and academic achievements throughout the school year at the Awards Banquet.

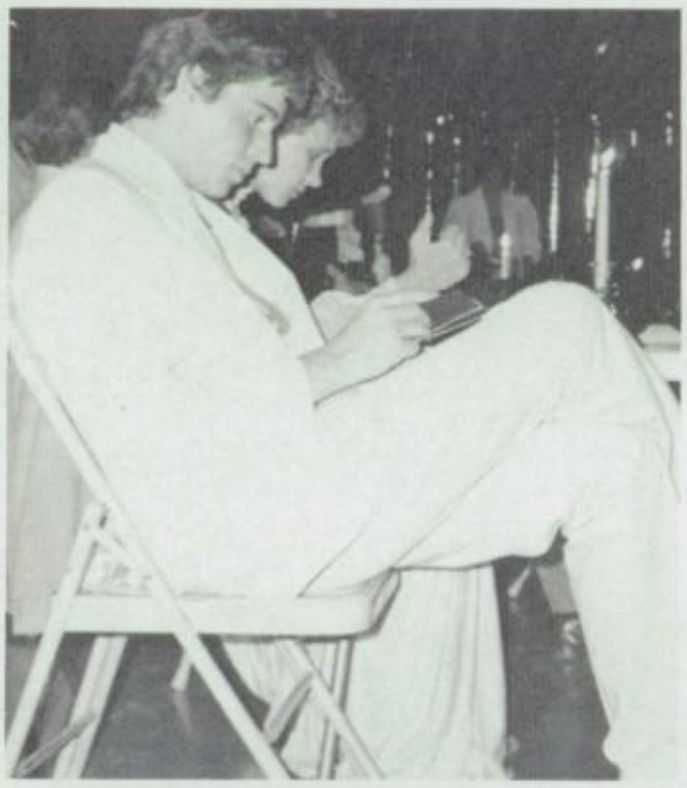
We've Got Tonight

We started out that stary night with our dates by our sides. We had our pictures taken to remember that special night and then got ready for the Grand March. We marched into "We've Got Tonight", the theme of our prom. After dancing all evening to the music of Dexter, we all went our separate ways. What a night to remember, Prom 1984.

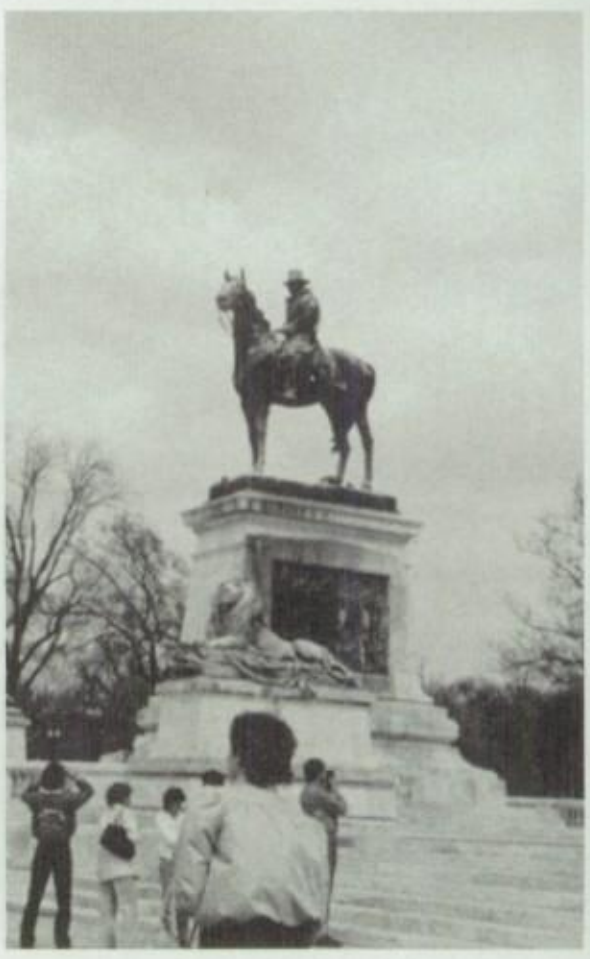


PROM 1984

Lets Go . . .

. . . Sight-seeing

This year the AAA Education in Flight trip took 8 students to Washington D.C. The trip only lasted three days, but in those three days we did a lot of sight-seeing. Only one senior, Robin Holden, went on this trip. The rest of the students were juniors. The juniors were Rick Anderson, Tom Burchill, Tod Erickson, Mindy Mechtel, Neil Munro, Scott Punton, and Sara Thompson. We all had a lot of fun and wished that we could have had more time to study Washington D.C. in greater detail.



Music Everywhere

This year, music could be heard everywhere. The sound of instruments and voices filled the air while they were getting ready for their concerts. The Jr. High and Sr. High bands and choirs participated in 3 concerts directed by Mrs. Meyers. They were the Fall Concert, Christmas Concert, and Spring Concert. During the Spring Concert, students who participated in the District Music Festival performed their talent. They worked hard, practiced long, and tried their best to succeed. There was no doubt that they were exceptional musicians!

All-State Participants-(left to right) Lynnette Johnson, All-State Band; Neil Munro, All-State Choir; Vangi Bortle, All-State Orchestra.

Musical Success

The Page Music Department had another successful year under the direction of Mrs. Carol Meyers. In April a large number of us went to Barnes County Music Festival in Valley City, which was a very good experience.

At Districts at N.D.S.U. those recieving star ratings were: Trumpet Solo, Vangi Bortle; Trumpet Trio, Vangi Bortle, Missy Folstad, and Jason Miller; Flute Trio, Lynnette Johnson, Beth Sorensen, and Carla Burchill; Flute Solo, Lynnette Johnson; Girls Ensemble, Cheri Carlson, Sara Thompson, Lynnette Johnson, Vangi Bortle, Missy Folstad, Brenda Johnson, Sherri Johnson, Dawn Erickson, and Lisa Willert.

Honorable Mentions were the Boys Ensemble; Girls Duet, Cheri Carlson and Brenda Johnson; Vocal Solos, Scott Punton, Neil Munro, Tom Burchill, Randy Thompson, and Cheri Carlson.

Elementary Band - Front Row: Nichole Miller, Heather Pederson, Tania Erickson, Stacy Burgard, Marby Hogen, Debbie Koenig, Teresa Treitline. Middle Row: Karen West, Travis Forderer, Jennifer Mitzel, Suzanne Flickinger, Melissa Alm, Terry Burchill, Char Burchill, Brian Patterson. Back Row: Daniel Thompson, John Mewes, Jonathan Erickson, Ryan Erickson, Jason Wahl, Mike Mewes.

Little Performers

The elementary students were really busy musically throughout the year. They performed in two programs; the Christmas program and the spring program. Each included musical selections and drama. The kindergarten students received their diplomas at the spring performance.

ONLY
1984

1984

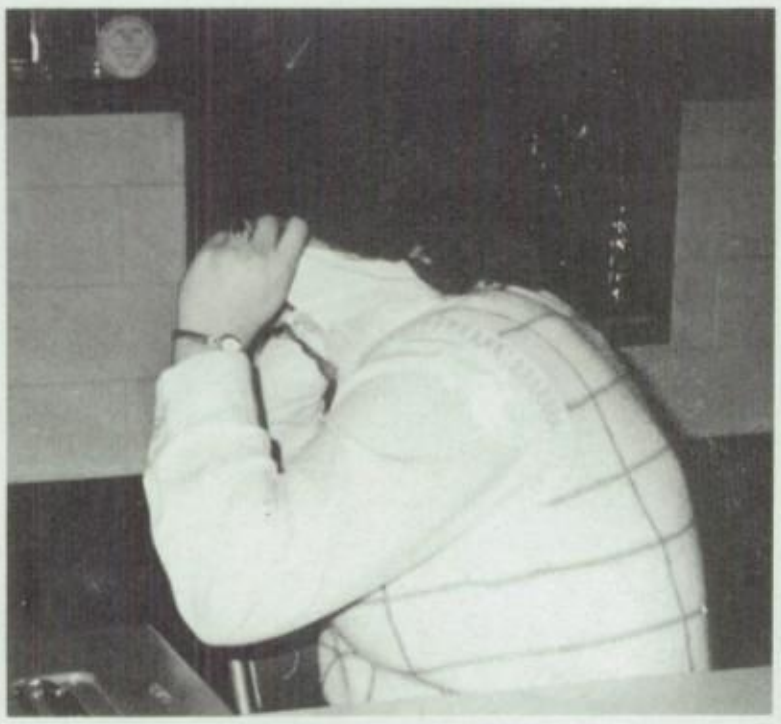
Only as far as we seek
can we go...
Only as much as we dream
can we be.

What A Day It Was!

May 27, 1984, what a day that was! Graduation day had finally arrived and we were excited, nervous, and even a little sad. We walked in to the processional played by the band. Mr. Lang gave the invocation and Beth read a poem in dedication to the class of 1984. Lisa sang a song she rewrote to fit the special day and then our class sang "These are the Best Times." Robin, Valedictorian, and Lynnette, Salutatorian, gave their speeches and the Senior High Chorus sang "The World is Yours." Chris then read "Desiderata", with Lynnette, Carla, and Beth providing background music on their flutes. Mr. Lang then gave the benediction and we left the stage to the recessional.

There were lots of hugs and best wishes that day as the class of 1984 graduated together and was now parting to go on alone. We will miss the friends we're leaving behind and will look back on PHS with fond memories.

Oh, What Crazy Lives We Led!



"Peek-a-boo, Miss Meidinger."

"Triple Trouble."

"And they say this isn't a prison camp!"

"I'm bigger than you are!"

"This is the life."

"Don't point that stick at us."

Now the lights have been dimmed. The cameras have been stilled and the curtains have been closed on the stage. The production staff has retired its tools for still another year. But frame after frame, the memories of '83-'84 can be relived. Just pick up this book, rewind the past, and bring it all back to life again.

To Be Continued . . .

Next Year

We would like to thank all those who were so willing to make the yearbook a success. To all those who donated pictures, those who lent us their cameras, the photographers and members of the staff who did more than their share, the teachers who allowed class time for pictures, those who bought ads, the Senior Class for their contribution on the colored pages, Arland "Mud" Waters, our sales rep, who helped us through the rough spots, and the parents who gave the kids the precious time needed to do pages, thanks for your support.
